

Exam Preparation

Raise your English level and certify it with an internationally recognised qualification. Whether you are taking an exam for work, study or as a personal measure of achievement, we will help you get prepared to meet the challenges of the exam.

WHAT CAN YOU EXPECT ON THIS COURSE?

Improve Your Level

Core English training in reading, writing, speaking and listening will focus on:

- methods and strategies for successful integrated and independent writing
- the skills needed to speak confidently and succeed in a one-to-one interview
- listening strategies such as listening for the idea of what's said and for detail
- skim reading for meaning, scanning for detail, paraphrasing, making inferences, and more

To help you get the best score possible in your chosen exam, these courses will focus on:

Writing

You will be taught methods and strategies for successfully completing integrated and independent writing skills.

Speaking

You will learn the skills needed to speak confidently on a number of topics in order to succeed in a one-to-one interview.

Listening

You will be exposed to various natural English accents and taught listening strategies, such as listening for the idea of what's said and listening for detail.

Reading

You will practise reading a number of authentic academic writings, and will be taught many reading skills. These include scan reading for general meaning and detail, paraphrasing, making inferences, and much more.

Practise

Using authentic test materials, you will participate in regular mock tests and finish your course well prepared for all sections of the exam.

Perfect Your Exam Technique

On these thorough, targeted courses, you will learn the valuable exam skills needed to meet or surpass your expected result. Using sample papers and with continuous practise of specific tasks, you will become familiar with the exam you are taking and learn how to answer the questions as effectively as possible.

Improve Your English

Being in an English-speaking environment for a long time improves your level. You will be speaking English inside and outside of your classroom. Your lessons will focus on preparing you for your exam; however, you will also see your English fluency improving from spending time in an English-speaking country.
