

Exam Preparation - Higher Score®

These courses in pure exam technique are for those who are already confident in their English language abilities. We will ensure you get the best result possible in your IELTS, TOEFL or TOEIC exam.

Get a Higher Score

In this special training course our goal is very simple: to help you improve your exam result. Since 2004, thousands of students have taken this course, and over 97% of them were able to increase their score with our help.

Exam Technique

We focus on three key areas to help you achieve a great score quickly and easily: helpful exam strategies, effective exam thinking, and studying only the English you need to pass the test. This proven system of teaching has helped thousands of students achieve great results because you do not have to study things that you do not need to know in the exam.

Expert Instructors

All Higher Score® teachers have received special training. They also have expert knowledge of the exams, and an average of over 10 years' experience teaching English and exam classes.

Serious Classes

Every day you will study and practise authentic exam questions. Your classmates will have the same goals and attitude as you and your teacher will do everything possible to help you succeed.

Unique Teaching Materials

We combine the best commercially-available course books with our own materials, developed by people who have worked with Oxford University Press and ETS (the organisation that develops TOEFL and TOEIC)
