Creative and Energetic Classes

When it comes to creating lessons, our teachers know what works. Classes are dynamic, engaging and motivating, designed to activate and build upon your strengths, whilst also giving targeted attention to your weaker areas. Relaxed and informal classroom environments create an encouraging atmosphere to help you build your confidence, realise your potential, and advance towards fluency.

Learn by Doing

At EC, progress is maximised as you are encouraged to learn by doing. Our task-based lessons focus on the active production of English, promoting class participation and interaction between students.
