DESCRIPTION OF ACCOMMODATION

Staying with a local family is a great way to immerse oneself into American culture. This interaction with a family helps students communicate and practice their English in a more relaxed environment whilst also exposing themselves to new experiences - be it lifestyle, local food or simple day to day routines.

Homes vary in type. Some homes are apartments, some are townhomes, and some are single family homes. Students are placed in a single or twin room. Each room is furnished with a bed, dresser and closet. Some rooms have TVs and other amenities. It is important that rooms and living areas are kept neat and tidy. Students also have access to a shared bathroom.

Bed linen and towels are provided by the host family. Some Los Angeles families do not have a washing machine in their home and use the services of a laundromat – in this case laundry facilities can cost anywhere from \$3-\$5 per wash/ dry. Individual host family profile will note whether or not their will be a charge for laundry costs. In cases where families have a washing machine, students may use the laundry facilities although this remains at the discretion of each family.
