HOTEL / GUEST HOUSE ACCOMMODATION

We recommend several hotels, guest houses and aparthotels in Chester. Our partner hotel is **Express by Holiday Inn (Chester Racecourse)**, a modern hotel very conveniently located near the school and city centre.

STUDENT PASTORAL SUPPORT AND SAFEGUARDING FOR UNDER 18s

Student welfare is really important for us and the school offers support to all our students. We accept students under the age of 18 on some courses and are responsible for their safety during their stay with us. For detailed information please see our website.

AIRPORT TRANSFERS

English in Chester arranges transfers from our local airports (Manchester or Liverpool). The journey time is approximately 40 minutes.

Meet & Greet Service for under 16s

There is a compulsory Meet & Greet Service for all unaccompanied individual students under 16 who are not being met by family or friends. This service is also strongly recommended for 16 and 17 year old students arriving independently. Students are met and transferred from Manchester or Liverpool Airport to the homestay and back to the airport at the end of the course. A named driver will escort the student at all times to the departure gate or until the airline takes over the responsibility.

Please note the regulations of some low-cost airlines may prevent certain age groups from travelling on their own. It is the responsibility of parents to check this when booking flights.

Students under 18 should also carry with them a parental letter of consent (proforma available from the school) and a copy of their offer letter for the course, as they may be required to show these on entry to the UK.

“I learned a lot about British culture and lifestyle during my stay in a homestay. It is the best and cheapest way to learn English!”
