Host Family

Staying with a host family gives students an excellent opportunity to develop their language skills in a natural, everyday context. The host family experience is one of the best ways in which students can learn about the lifestyle and culture of the location they are studying in and encounter Irish hospitality first-hand.

Carefully selected host families

Half-board accommodation for adults with full board at the weekends

Regular monitoring and feedback on host families

Guesthouses, Hotels and Self-Catering Apartments

Students can choose from a wide range of alternative accommodation options all within easy reach of our study centres. We can offer special rates in guesthouses, hotels or corporate self-catering apartments.

Marino Institute of Education

“I want to mention my host mother Joan. She is a perfect person, who supported me, shared interesting thoughts and ideas, and introduced me to Irish culture. It helped me feel very comfortable, like at home.”
