WHAT CAN YOU EXPECT ON THIS COURSE?

Real English

You will experience how English is spoken and used in many real-life situations. Relevant and engaging lessons will develop your understanding of grammar, vocabulary, idioms and pronunciation, and give you practice in the use of everyday English through the four skills: *reading, writing, speaking and listening*.

Creative and energetic classes

Our teachers are qualified and experienced, and when it comes to creating lessons, they know what works. Classes are dynamic, engaging and motivating, designed to activate and build upon your strengths, whilst also giving targeted attention to your weaker areas. Relaxed and informal classroom environments create an encouraging atmosphere, to help you build your confidence, realise your potential and advance towards fluency.

Learn by doing

At EC, progress is maximised as students are encouraged to learn by doing. Our task-based lessons focus on the active production of English, promoting class participation and interaction between students.

Improve your 'thinking time'

As your skills and confidence develop with support from your teachers, so too will your ability to listen, understand and respond quickly and effectively in English. You will notice these improvements most of all when you take your English outside of the classroom and into everyday conversation in one of our vibrant English-speaking destinations!
